

What we do

As one of the few remaining specialist Arts Colleges in the country we offer a range of courses in art, design and the performing arts – from entry level post 16 through to Foundation degrees and BA (Hons).

Our subject areas include;

Contemporary Applied Arts

ceramics, jewellery, metals, wood

Artist Blacksmithing

sculpture, architectural & public art

Fine Art

Painting, drawing, new media, installation, 3D sculpture

Textile Design

Surface print & constructed textiles

Animation

Moving images for screen based applications

Film & Video

Audio-visual, film & video

Graphic Design

Design for print, advertising, branding & identity, new media design

Illustration

Drawing, books, album covers, cartoons, magazines, & print based media

Photography

Documentary, photo-journalism, fashion, advertising, fine art, portraiture

Web Design

Website design, designing for the internet, new media

Performing Arts

Drama, arts management, event management & promotion, workshops

We encourage our students to get involved with live projects and take up work placements because this not only enhances their practical learning experience but could ultimately contribute to the economic and cultural development of an organisation.
