

Dear Student, Parent or Guardian,

During the course of the year students will be asked to participate in educational visits which will support the academic work being undertaken.

As a part of that process **all** students need to complete the following consent form.

If under the age of 18 at the start of the course parental permission is required, and the form needs to be countersigned by a parent or guardian.

If we do not receive a completed consent form you will not be allowed on educational visits.

Visits will usually take the form of trips to galleries, museums and other places of educational interest. You will be notified of these visits and special requirements e.g. clothing etc no less than two weeks before the trip.

Where visits include hazardous activities or overnight stays, you will be asked to sign a separate consent form for that visit. This form will act as a consent form for all educational visits throughout the academic year.

Please complete the form and return it to the Registry & Finance office before the start of term in the pre-paid envelope supplied.

.....
CONSENT FOR COLLEGE VISITS

Name:		Course:
Mobile phone no. of student (if applicable):		
Medical details: Please state the medical or special needs of the student.		
Dietary needs of the student:		
Name of parent or contact(s):	Relationship to student:	Work/mobile number:
