## **To Parents or Guardians of Students under the age of 19 years**

Dear Parent or Guardian

### **Parent Governor**

Hereford College of Arts is controlled by a Governing Body which determines the college's mission and strategy. Members of the Governing Body represent different sectors of the community the college serves, and have responsibility for determining the educational character and mission of the college as well as ensuring that it makes effective and efficient use of resources.

One member is an elected parent member. Any parent of a student who is under 19 years of age is eligible for appointment as a parent member of the Governing Body.

College Governors are central to setting the strategic direction of the college and they are important as key players in the success of the college. I hope that you may be interested to contribute to the college's continuing success for the benefit of your own and others' children.

If you are interested, or considering this role, then I would like to invite you to contact either the Principal or myself for further details. My direct line is 01432 379351 or email [l.watkins@hca.ac.uk](mailto:l.watkins@hca.ac.uk)

Yours sincerely

Linda Watkins (Mrs)  
Clerk to the Governors
